Notice: A Certificate of Registry is not a Document of Title. It does not necessarily contain notice of all changes of ownership and in no case does it contain an official record of any mortgages affecting the yacht. In the case of any changes of ownership it is important for the protection of the interests of all parties that the change should be registered according to law. Any changes of ownership, address or other registered particulars should be notified to the Director General. If the yacht is lost or broken up, notice thereof, together with the certificate of Registry, if in existence, should be immediately be given to the Director General.
